Dear Parents and Carers

Parents' and Carers' Homework Guide

We are pleased to announce that every child in Key Stage 2 will receive a 'Parents' and Carers' Homework Guide'.

These homework guides explain key Maths and SPaG (Spelling, Punctuation and Grammar) objectives of your child's year group, and how you can support your child's progress in achieving them.

The 'Homework Guides' will also be made available on the school's website and twitter account.

In addition to the 'Homework Guide', you also receive an updated 'Homework Policy', which details the homework expectations for children's at St. Anthony's.

We suggest that you put these leaflets on the fridge, or a similar accessible place and refer to them when supporting your child with Maths homework. If you require any further support, please contact your child's class teacher in the first instance.

Thank you for your continued support.

Yours faithfully

Mr Murray
Year 6 Class Teacher
