

St Anthony's Catholic Primary School Policy: Safeguarding

1 INTRODUCTION

- 1.1 This policy has been developed to ensure that all adults in **St Anthony's Catholic Primary School** are working together to safeguard and promote the welfare of children and young people. This policy has been ratified by the Governing Body at its meeting on 6th July 2017 and will be reviewed in **August 2018**. See Appendix C for a summary of a 'good' safeguarding school.
- 1.2 This policy describes the management systems and arrangements in place to create and maintain a safe learning environment for all our children, young people and staff. It identifies actions that should be taken to redress any concerns about child safety and welfare including protecting pupils and staff from extremist views, vocal or active, which are opposed to fundamental British values. All opinions or behaviours which are contrary to these fundamental values and the ethos of the school will be vigorously challenged.
- 1.3 The Headteacher or, in their absence, the authorised members of senior staff, Mrs A Burns and Ms J Hury, have the ultimate responsibility for safeguarding and promoting the welfare of children and young people.
- 1.4 Safeguarding and promoting the welfare of children and young people goes beyond implementing basic child protection procedures. It is an integral part of all activities, functions, culture and ethos of **St Anthony's Catholic Primary School**. This policy complements and supports other relevant school and Local Authority policies (Appendix A).
- 1.5 Under the Education Act 2002 schools/settings have a duty to safeguard and promote the welfare of their pupils and, in accordance with guidance set out in 'Working Together to Safeguard Children 2015', **St Anthony's Catholic Primary School** will work in partnership with other organisations where appropriate to identify any concerns about child welfare and take action to address them.

2 ETHOS

- 2.1 **St Anthony's Catholic Primary School** aims to create and maintain a safe learning environment where all children and adults feel safe, secure and valued and know they will be listened to and taken seriously. Our school is committed to the principles outlined in 'Working Together to Safeguard Children 2015' and implements policies, practices and procedures which promote safeguarding and the emotional and physical wellbeing of children, young people and staff.
- 2.2 The school is committed to supporting the delivery of effective early help using The Multi-Agency Levels of Need and Response Framework. The children have access to appropriate curriculum opportunities, including emotional health and wellbeing, to support the development of the skills needed to help them stay safe and healthy,

develop their self-esteem and understand the responsibilities of adult life, particularly in regard to child care and parenting skills.

2.3 Access to cross-curricular activities will provide opportunities to develop self-esteem and self-motivation and to help pupils respect the rights of others individuals and potentially vulnerable groups.

2.4 **St Anthony's Catholic Primary School** will exercise diligence and prevent any organisation or speaker from using the schools facilities to disseminate extremist views or radicalise pupils and staff.

3 THE CURRICULUM

3.1 All children have access to an appropriate curriculum, differentiated to meet their needs. This enables them to learn to develop the necessary skills to build self-esteem, respect others, defend those in need, resolve conflict without resorting to violence, question and challenge and to make informed choices in later life.

3.2 Children and young people are encouraged to express and discuss their ideas, thoughts and feelings through a variety of activities and have access to a range of cultural opportunities which promote the fundamental British values of tolerance, respect, understanding and empathy for others. There is access to a range of extra-curricular activities, information and materials from a diversity of sources which not only promotes these values but supports the social, spiritual, moral well-being and physical and mental health of the pupils.

3.3 Personal Health and Social Education, Citizenship and Religious Knowledge lessons will provide opportunities for children and young people to discuss and debate a range of subjects including lifestyles, forced marriage, family patterns, religious beliefs and practices and human rights issues.

3.4 **St Anthony's Catholic Primary School** takes account of the latest advice and guidance provided to help address specific vulnerabilities and forms of exploitation eg CSE, Radicalisation and Extremism, Forced Marriage.

3.5 All pupils will know that there are adults in the school whom they can approach in confidence if they are in difficulty or feeling worried and that their concerns will be taken seriously and treated with respect.

4 ATTENDANCE and EXCLUSIONS

4.1 **St Anthony's Catholic Primary School** views attendance as a safeguarding issue and in accordance with the school's Attendance Policy, absences are rigorously pursued and recorded. The school/setting, in partnership with the appropriate agencies, takes action to pursue and address all unauthorised absences in order to safeguard the welfare of children and young people in its care.

4.2 The Attendance Policy identifies how individual cases are managed and how we work proactively with parents/carers to ensure that they understand why attendance is important. In certain cases this may form part of an Early Help Assessment (EHA) or a Parenting Contract.

- 4.3 We implement the statutory requirements in terms of monitoring and reporting children missing education (CME) and off-rolling and understand how important this practice is in safeguarding children and young people.
- 4.4 The school will only place young people in alternative educational provision which is a registered provider and has been quality assured. Young people who require access to alternative provision will have a personalised learning plan designed to meet their needs. Their attendance will be monitored by **St Anthony's Catholic Primary School** in accordance with the School Register Regulations (secondary schools only).
- 4.5 The designated person will be informed when a fixed term or permanent exclusion is being discussed and any safeguarding issues will be considered. Where it is felt that a child or young person is likely to be permanently excluded a multi-agency assessment will be instigated to ensure that there is improved understanding of the needs of the young person and their family and that the key agencies are involved.

5 KEEPING RECORDS

- 5.1 **St Anthony's Catholic Primary School** will keep and maintain up to date information on children on the school roll including where and with whom the child is living, attainment, attendance, referrals to and support from other agencies. The school record will also include a chronology of any other significant event in a child's life.

It is a matter for individual schools and colleges and the designated safeguarding lead to arrange adequate and appropriate cover arrangements for any out of hours/out of term activities.
- In addition to their formal training, as set out above, their knowledge and skills should be updated, (for example via e-bulletins, meeting other designated safeguarding leads, or taking time to read and digest safeguarding developments), at regular intervals, but at least annually, to keep up with any developments relevant to their role.

7 SAFE RECRUITMENT AND SELECTION OF STAFF

- 7.1 The school's recruitment and selection policies and processes adhere to the DfE guidance "Keeping Children Safe in Education" September 2016.
- 7.2 The Head teacher and governing body will ensure that all staff and volunteers in supplementary schools using the mainstream school site will have been vetted and checked (will not apply for all schools and settings).

8 WORKING WITH OTHER AGENCIES

- 8.1 **St Anthony's Catholic Primary School** has developed effective links with other relevant agencies and required with any enquiries regarding child protection issues. The school will notify social care if:
- A child subject to a child protection plan is about to be permanently excluded.
 - There is an unexplained absence of a pupil who is subject to a child protection of more than two days from school.
 - It has been agreed as part of any child protection plan or core group plan.

9 CONFIDENTIALITY AND INFORMATION SHARING

- 9.1 Staff ensure that confidentiality protocols are followed and information is shared appropriately. The Headteacher or Designated Member of Staff discloses any information about a pupil to other members of staff on a need to know basis only.
- 9.2 All staff and volunteers must understand that they have a professional responsibility to share information with other agencies in order to safeguard children. All staff and volunteers must be clear with children that they cannot promise to keep secrets.

10 TRAINING FOR STAFF AND VOLUNTEERS

- 10.1 In accordance with "Keeping children safe in education – September 2016" all staff will receive training at induction.
- 10.2 All staff should receive appropriate child protection training which includes basic safeguarding information about the school's policies and procedures, signs and symptoms of abuse (emotional and physical), indicators of vulnerability to radicalisation, how to manage a disclosure from a child as well as when and how to record a concern about the welfare of a child.

- 10.3 The Designated Person for Safeguarding will receive refresher training every two years. All staff will receive appropriate child protection training which is regularly updated.
- 10.3 All staff will receive training or briefings on particular safeguarding issues, for example, Guns and Gangs, Forced Marriage, Female Genital Mutilation, Domestic abuse and Child Sexual Exploitation, E-Safety, Preventing Violent Extremism.
- 10.4 In addition all staff members should receive regular safeguarding and child protection updates (for example, via email, e-bulletins, staff meetings) as required, but at least annually, to provide them with relevant skills and knowledge to safeguard children effectively.

10 RECORDING AND REPORTING CONCERNS

- 11.1 All staff, volunteers and visitors have a responsibility to report any concerns about the welfare and safety of a child and all such concerns must be taken seriously (Appendix B). If a concern arises all staff, volunteers and visitors must:
- Speak to the Designated Person or the person who acts in their absence
 - Agree with this person what action should be taken, by whom and when it will be reviewed
 - Record the concern using the school's safeguarding recording system

12 INFORMING PARENTS/CARERS

- 12.1 Our approach to working with parents/carers is one of transparency and honesty and our responsibility is to safeguard and promote the welfare of all the children in our care. We aim to do this in partnership with our parents/carers. In most cases parents and carers will be informed when concerns are raised about the safety and welfare of their child. Parents and carers should be given the opportunity to address any concerns raised.
- 12.2 Parents and carers will be informed if a referral is to be made to the Children's Social Care Service or any other agency.
- 12.3 Parents/carers will not be informed if it is believed that by doing so would put the child at risk. In such cases the Designated Person or Headteacher will seek advice from Children's Social Care.

13 DOMESTIC ABUSE

- 13.1 The school is aware that children and young people's development, as well as their social and emotional resilience, is affected by many factors including exposure to domestic abuse within the family situation and is a safeguarding issue.
- 13.2 Children and young people react to domestic abuse in similar ways to other types of abuse and trauma.
- 13.3. Information about Domestic Abuse and its effect upon children and young people will be incorporated into staff Safeguarding and Child Protection training and briefings and the school's Safeguarding and Child Protection's Policies and Procedures will be used to protect children and young people exposed to, and at risk from, domestic abuse.

- 13.4 Any child or young person thought to be at immediate risk will be reported without delay to the Police Service as a 999 emergency and the Manchester Children's Service contact Centre will be contacted as soon as possible.

14 FORCED MARRIAGE

- 14.1 Forced Marriage became a criminal offence in June 2014. It is a form of child, adult and domestic abuse and, in line with statutory guidance, is treated as such by this school. The school is sensitive to differing family patterns and lifestyles and child-rearing patterns that vary across different racial, ethnic and cultural groups. Child abuse cannot be condoned for religious or cultural reasons.
- 14.2 Information about Forced Marriage will be incorporated into staff Safeguarding and Child Protection training and briefings and the school's Safeguarding and Child Protection Policies will be used to protect a victim or potential victim of forced marriage.
- 14.3 If a case of forced marriage is suspected it will be viewed as a safeguarding concern, parents and carers will not be approached or involved about a referral to any other agencies.

15 FEMALE GENITAL MUTILATION

- 15.1 Female Genital Mutilation (FGM) is illegal in the United Kingdom and is a violation of human rights of girls and women. Information on FGM will be incorporated into staff Safeguarding and Child Protection training and briefings.
- 15.2 The Serious Crime Act 2015 strengthened further the legislation on FGM and now includes a new statutory duty placed on professionals (including teachers) to notify the police if it appears that a girl under the age of 18 has had FGM carried out on her.
- 15.3 Further statutory guidance has been issued under Section 5c (1) of the Female Genital Mutilation Act 2003 "**Multi-Agency Statutory Guidance on Female Genital Mutilation – April 2016**". This includes a new statutory duty placed on professionals (including teachers) to notify the police personally if a girl under the age of 18 has informed them directly that FGM has been carried out on her. If informed by a parent or other adult then this can be reported via the usual safeguarding reporting procedures.

16 PREVENTING RADICALISATION and VIOLENT EXTREMISM

- 16.1 Protecting children from the risk of radicalisation is seen as part of **St Anthony's Catholic Primary School** wider safeguarding duties, it is acknowledged that is similar in nature to protection children from other forms of harm and abuse and the importance of early intervention by out school. We follow the guidance set out in Keeping Children Safe in Education 2016.
- 16.2 **St Anthony's Catholic Primary School** can produce evidence to show fulfilment of the Prevent duty in the 5 duty areas (Leadership and Management, Risk Assessment, Working in Partnership, Staff Training, IT Policies). We also support our children to be resilient against radicalisation.
- 16.3 We have named leads for Prevent on the schools SLT and Governing body. Prevent is part of the safeguarding role of our Designated Safeguarding Lead. We have conducted a risk assessment to ensure that we give 'due regard' to all areas of the duty. We do/do

not have specific policy on Prevent but have ensured that is embedded into all other appropriate school policies. We have clear procedures in place for protecting children at risk of radicalisation. These procedures are set in this safeguarding document and other existing policies where relevant.

16.4 We work in partnership with others including the Local Authority and MSCB to share concerns and improve practice in this area. We regularly review our IT policies in school to ensure that IT use across the school is safe. Children and young people are supported to know how to stay safe on line when accessing social media both in and out of school.

16.5 Staff training and knowledge on Prevent is regularly reviewed and monitored. Staff in this school are aware that Radicalisation refers to the process by which a person comes to support terrorism and forms of extremism. Staff know that there is no single way of identifying an individual who is likely to be susceptible to an extremist ideology but they are alert to the signs and changes of behaviour which may be indicators. Staff are confident to challenge and support young people who may be vulnerable. Staff also know what to do if they have concerns that a young person is being radicalised.

16.6 School actively builds students resilience to radicalisation through the curriculum and a whole school ethos which promotes British Values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs.

16.7 **St Anthony's Catholic Primary School** seeks to have effective engagement with parents and families in order to work in partnership to protect our children and young people.

17 SAFER USE OF THE INTERNET and DIGITAL TECHNOLOGY (INCLUDING EARLY YEARS PROVISION)

17.1 **St Anthony's Catholic Primary School** recognise that in a modern learning environment, use of the Internet, multimedia devices and digital imaging facilities are part of everyday requirements. However a child/young person's safety will remain the priority of the school.

17.2 All staff are aware that any items that have capability for use of the Internet or the creation of digital images (including mobile phones) must be used by children/young people under appropriate supervision. If any such item that belongs to a member of staff is brought onto the school site, it is the responsibility of that staff member to ensure that these items contain nothing of an inappropriate nature.

17.3 Children/young people are not permitted to directly access items that do not belong to the school.

17.4 If there is any suspicion that any multimedia device or computer contains any images or content of an inappropriate nature, the Head teacher or DSL should be informed immediately.

17.5 Whilst it is essential that governing bodies and proprietors ensure that appropriate filters and monitoring systems are in place; they should be careful that "over blocking" does not lead to unreasonable restrictions as to what children can be taught with regards to online teaching and safeguarding.

Use of Mobile Phones

Mobile phones have a place in settings, especially when on outings. They are often the only means of contact available in settings and can be helpful in ensuring children are kept safe.

- Only use mobile phones appropriately, and ensure staff have a clear understanding of what constitutes misuse and know how to minimise the risk.
- Ensure the use of a mobile phone does not detract from the quality of supervision and care of children.
- Ensure all mobile phone use is open to scrutiny.
- Ensure staff are vigilant and alert to any potential warning signs of the misuse of mobile phones.
- Ensure staff are responsible for their own behaviour regarding the use of mobile phones and should avoid putting themselves into compromising situations, which could be misinterpreted and lead to potential allegations.
- Ensure the use of mobile phones on outings is included as part of the risk assessment, for example, how to keep personal numbers that may be stored on the phone safe and confidential.

Work Mobiles

To protect children we will ensure that the work mobile:

- Is only used by allocated people.
- Is protected with a password and clearly labelled.
- Is stored securely when not in use.
- Is not used in areas such as toilets, changing rooms, nappy changing areas and sleep areas.
- If used for taking photographs, the images are deleted regularly and written parent/carer permission obtained.

Personal Mobiles

To protect children we will ensure that personal mobiles:

- Are stored securely [say where] and will be switched off or on silent whilst staff are on duty.
- Are not used to take pictures of the children attending the setting.
- Will not be used to take photographs, video or audio recordings in our setting.
- Are not used to contact parents or children except in the event of an emergency.
- Visitors not to use on entering the setting.
- Older children have signed consent from their parents giving permission for the child to have a mobile and agreeing that they will be stored securely and be switched off or on silent whilst in the setting.

Cameras: Photography and Images

The vast majority of people who take or view photographs or videos of children do so for entirely innocent, understandable and acceptable reasons. However, due to cases of abuse to children through taking or using images, we must ensure that we have safeguards in place.

To protect children we will:

- Obtain parents' and carers' consent for photographs to be taken used for or published (for example, on our website or displays).
- Ensure the school's designated camera is only used in the school and any images taken will not be emailed as it may not be secure. (In some instances, it may be required to seek parental permission to email images, but the potential risks must be made clear to parents).
- Ensure that children are appropriately dressed, and only use the child's first name with an image.
- Ensure that personal cameras are not used to take photographs, video or audio recordings in our school without prior explicit written consent from the school, for example, for a special event, such as a Christmas play.
- Ensure that all images are stored securely and password protected. Where images are stored the setting will register with the Information Commissioners Office (ICO), in accordance with data protection laws.
- Ensure where professional photographers are used DBSs, references and parental consent will be obtained prior to photographs being taken.
- Ensure 'acceptable use' rules regarding the use of cameras by children are embedded in practice.
- Ensure the use of cameras is closely monitored and open to scrutiny

Social Networking Sites

Social Networking sites are part of everyday culture within the cyber environment and all staff will promote safe use of the internet to all children/young people. The school curriculum will include the input of appropriately trained personnel around Internet Safety and safe use of media items. Staff will ensure that any personal use of Social Networking sites does not in any way impinge upon the school or their professional standards. Any concerns regarding a staff member's conduct should be brought to the immediate attention of the Head teacher or the DSL.

Any attempt by a child/young person to contact staff via such internet sites will immediately be reported to the Head teacher or DSL in order that appropriate advice can be given to the child/young person and their parents/carers regarding professional boundaries and the safety of the child/young person.

Sexting

'Sexting' is one of a number of 'risk-taking' behaviours associated with the use of digital devices, social media or the internet. It is accepted that young people experiment and challenge boundaries and therefore the risks associated with 'online' activity can never be completely eliminated. However **St. Anthony's Catholic Primary School** takes a pro-active approach in its ICT and Enrichment programmes to help students to understand, assess, manage and avoid the risks associated with 'online activity'. The school recognises its duty of care to its young people who do find themselves involved in such activity as well as its responsibility to report such behaviours where legal or safeguarding boundaries are crossed.

There are a number of definitions of 'sexting' but for the purposes of this policy sexting is simply defined as:

- Images or videos generated by children under the age of 18, or
- of children under the age of 18 that are of a sexual nature or are indecent.

- These images are shared between young people and/or adults via a mobile phone, hand held device, computer, 'tablet' or website with people they may not even know.

There are many different types of sexting and it is likely that no two cases will be the same. It is necessary to carefully consider each case on its own merit. However, it is important that **St Anthony's Catholic Primary School** applies a consistent approach when dealing with an incident to help protect young people and the school. For this reason the Designated Safeguarding Lead (or Headteacher in the absence of the DSL) needs to be informed of any 'sexting' incidents. The range of contributory factors in each case also needs to be considered in order to determine an appropriate and proportionate response. All colleagues are expected to be aware of this policy.

18 E-SAFETY

- 18.1 **St Anthony's Catholic Primary School** has an E-Learning Policy which recognises that E-safety is a safeguarding issue not an ICT issue. The purpose of internet use in school is to help raise educational standards, promote pupil achievement, and support the professional work of staff as well as enhance the school's management information and business administration.
- 18.2 The internet is an essential element in 21st century life for education, business and social interaction and **St Anthony's Catholic Primary School** has a duty to provide children and young people with quality access as part of their learning experience.
- 18.3 It is the duty of **St Anthony's Catholic Primary School** to ensure that every child and young person in its care is safe and this applies equally to the 'virtual' or digital world.
- 18.4. **St Anthony's Catholic Primary School** will ensure that appropriate filtering methods are in place to ensure that pupils are safe from all types of inappropriate and unacceptable materials, including terrorist and extremist material.
- 18.5 **St Anthony's Catholic Primary School** has an acceptable use policy (AUP). Where both staff and children have access, it will be necessary for us to have separate AUPs for staff and pupils. The AUP should cover the use of all technologies used.
- 18.6 The school website will contain the school's contact details, including the address, email and telephone numbers. It will not contain staff or pupil's personal information.
- 18.7 Website photographs that include pupils will be selected carefully and will not enable individual pupils to be identified by name.

19 CHILD PROTECTION CONFERENCES AND CORE GROUP MEETINGS

- 19.1 Members of staff are likely to be asked to attend a child protection conference or other relevant core group meetings about an individual pupil and will need to have as much relevant updated information about the child as possible. A child protection conference will be held if it is considered that the child/children are suffering or at risk of significant harm.
- 19.2 All reports for a child protection conference should be prepared in advance of the meeting and will include information about the child's physical, emotional, intellectual development and well-being as well as relevant family related issues. This information will be shared with the parents/carers.

19 MANAGING ALLEGATIONS AND CONCERNS AGAINST STAFF AND VOLUNTEERS

- 19.1 The school follows the government guidance Keeping Children Safe in Education – September 2016 when dealing with allegations made against staff and volunteers.
- 19.2 All allegations made against a member of staff and volunteers, including contractors or security staff working on site, will be dealt with quickly and fairly and in a way that provides effective protection for the child while at the same time providing support for the person against whom the allegation is made.

20 MANAGING ALLEGATIONS AND CONCERNS AGAINST STAFF AND VOLUNTEERS

- 20.1 The school follows the government guidance Keeping Children Safe in Education – September 2016 when dealing with allegations made against staff and volunteers.
- 20.2 All allegations made against a member of staff and volunteers, including contractors or security staff working on site, will be dealt with quickly and fairly and in a way that provides effective protection for the child while at the same time providing support for the person against whom the allegation is made.

21 COMPLAINTS OR CONCERNS BY PUPILS, STAFF OR VOLUNTEERS

- 21.1 Any concern or expression of disquiet made by a child will be listened to seriously and acted upon as quickly as possible to safeguard his or her welfare.
- 21.2 We will make sure that the child or adult who has expressed the concern or made the complaint will be informed not only about the action to be taken but also where possible about the length of time required to resolve the complaint. We will endeavour to keep the child or adult informed about the progress of the complaint/expression of concern.

22 SERIOUS CASE REVIEWS

22.1 The Manchester Safeguarding Children Board will always undertake a serious case review when a child or young person dies (including death by suicide) and abuse or neglect is known or suspected to be a factor in their death. The purpose of the serious case review is to:

- Find out if there are any lessons to be learnt from the case about how local professionals and agencies work together to safeguard and promote the welfare of children and young people.
- Identify what those lessons are, how they will be acted on and what is expected to change as a result of the serious case review.
- Improve inter-agency working to better safeguard and promote the welfare of children and young people.

If required **St Anthony's Catholic Primary School** will provide an individual management report for a serious case review and will cooperate fully with implementing outcomes of the review including reviewing policy, practice and procedures as required.

23 PEER ON PEER ABUSE

23.1 Staff should recognise that children are capable of abusing their peers. Governing bodies should identify procedures to minimise the risk of peer on peer abuse and

consider how allegations of peer on peer abuse will be investigated and dealt with. School and settings should have clear procedures on how victims of peer on peer abuse will be supported.

24 DISQUALIFICATION BY ASSOCIATION

This section relates to primary schools with nurseries and/or reception classes and other schools where the school provides after school provision for children under the age of 8.

St Anthony's Catholic Primary School will implement the Childcare (Disqualification) Regulations 2009 by ensuring that staff who are disqualified by association because they live in the same household as a person disqualified under the Childcare Act 2006 are not able to work in the early years setting within the school and will ask the staff member to complete an annual declaration form which will be used to assess their suitability to work with children.

To do this the school will follow the statutory guidance 'Disqualification under the Childcare Act 2006' [Disqualification under the Childcare Act 2006 – Publications – GOV.UK](#)

25 VISITORS

25.1 All visitors, including visiting speakers, are subject to the school's safeguarding protocols while on site and will be supervised at all times.

26 VOLUNTEERS

26.1 Volunteers will be expected to complete an enhanced DBS and barred list check for those volunteers who:

- Frequently partake in regulated activity with children and young people
- Who are undertaking volunteering activity in an unsupervised capacity

Governors

As of September 1st 2016, schools must obtain an enhanced DBS and barred list check for all governors. Governance is not a regulated activity and so they do not need a barred list check unless, in addition to their governance duties, they also engage in regulated activity. If governors volunteer or carry out other duties that would be deemed as regulated activity then the appropriate checks must be applied.

27 BOOKINGS

27.1 **St Anthony's Catholic Primary School** operates a responsible booking protocol and will carry out appropriate checks and will exercise due diligence to prevent an organisation or speaker from using the school's facilities to disseminate extremist views or radicalise pupils or staff.

This policy has been ratified by the Governing Body at its meeting on 6th July 2017 and will be reviewed in August 2018.

- Safe Staffing and Recruitment

**The following definitions are from Working Together to Safeguard Children (2015)
(and now an update of February 2017)**

Significant Harm

The threshold that justifies compulsory intervention in family life and gives Local Authorities a duty to make enquiries to decide whether they should take action to safeguard or promote the welfare of a child who is suffering or likely to suffer significant harm.

Physical Abuse

Physical abuse may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces an illness in a child.

Emotional Abuse

Emotional abuse is the persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to children that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond the child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying, causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

Sexual Abuse

Sexual abuse involves forcing or enticing a child or young person to take part in sexual activities, including prostitution, whether or not the child is aware of what is happening.

The activities may involve physical contact, including penetrative (e.g. rape, buggery or oral sex) or non-penetrative acts. The activities may include non-contact activities, such as involving children in looking at, or in the production of, sexual online images, watching sexual activities, or encouraging children to behave in sexually inappropriate ways.

Child sexual exploitation is a form of child sexual abuse. It occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child or young person under the age of 18 into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator or facilitator. The victim may have been sexually exploited even if the sexual activity appears consensual. Child sexual exploitation does not always involve physical contact; it can also occur through the use of technology.

Neglect

Neglect is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development.

Neglect may occur during pregnancy as a result of maternal substance abuse for example. Once a child is born, neglect may involve a parent or carer failing to:

- Provide adequate food and clothing, shelter (including exclusion from home or abandonment).
- Protect a child from physical and emotional harm or danger.
- Ensure adequate supervision (including the use of inadequate caretakers).
- Ensure access to appropriate medical care or treatment.
- It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.
