

Where should your child be up to on Maths Passports?

The new National Curriculum is heavily focused on all children meeting “Year group expectations.”

Below is a guide of roughly where your child should be on the Passport scheme to be meeting these expectations. If your child is below where they should be, it may be that they need more practice on their Passport targets.

EYFS
England
Scotland
N Ireland
Ireland
Wales
YEAR 1
Europe
Asia
YEAR 2
Africa
Antarctica
YEAR 3
Australasia
North America
YEAR 4
South America
Globetrotters
YEAR 5
Pangea
Atlantis

There are additional Passports for Year 6 and beyond, however the focus is on consolidation of skills and knowledge while preparing for SATS tests.
