13th March 2018

Dear Parents and Carers

Reception visit – Animals Take Over

As part of our current topic surrounding Bugs and Mini-beasts, we will be receiving a visit from 'Animals Take Over' next week. The children will have the opportunity to see and learn about a range of different mini-beasts, these will include the great African land snail, the great African millipede, stick insects, cockroaches, scorpions, snakes, spiders and mealworms.

The visit will take place in school on Tuesday 20th March, the school day will remain as normal. For the visit to go ahead, we require a small cost of £3.05 per child, please arrange to make this payment via Agora, the school's cashless system.

Breakdown of cost

Total cost per child: £3.05

Without sufficient contributions, the visit will not be able to go ahead.

I am sure you will agree that this will be an exciting opportunity for the children to develop their knowledge and understanding within this topic.

Thank you for your continued support.

Yours faithfully

Mrs C Foulstone
Year Group Leader
