Dear Parents and Carers

### Choir at St Paul's

A big thank you to those who were able to take part in our first (hopefully of many), joint ventures with Saint Paul's High School.

The night was jam packed with music and it was a special time for our children to enjoy and witness some lovely performances. I was spoken to by many teachers and audience members about how professional we were as a school. Not only were the choir fantastic in their delivery of the songs we sang, they were also really grown up and well behaved all evening.

Thank you for making our first joint project such a success and thank you to the parents and carers who came to support the event on such a hot evening!

Our next choir performance is at the International School Fair tomorrow – we will be performing some songs from around the world. Our performance slot is **1:15pm**; I would like to gather the choir together at **1:00pm** outside the infant hall please.

Thank you once again for all your continued support.

Mr Goodwin  
Music Teacher
