Dear Parents and Carers

INSET: Early school closures – 16th and 22nd January

In every school, teachers have to attend five training days each academic year.

Where possible, we try to avoid this impacting on parents and carers and cover the training during twilight sessions, where teachers work from 3pm until 6pm instead of having to close the school for the whole day.

This month, we have two teacher training days and we are advising you of a slightly earlier finish to the school day of 3.00pm on 16th January and also on 22nd January 2018.

Further INSET days are scheduled for Friday 16th February and Friday 29th June 2018 where the school will be closed for the entire day.

Unfortunately, the after school club will not be available on INSET days.

We thank you for your continued support.

Yours faithfully

Mrs C P Fox
