Special Educational Needs and Disability
SEND Information Report

1. What kinds of Special Educational needs are provided for at St. Anthony's Catholic Primary School?

St Anthony's Catholic Primary School is a mainstream school that provides education for children aged 3-11 years. We are committed to meeting the needs of all children, including those with SEND, through inclusive teaching and attitudes. A variety of interventions and further SEND provision are planned for children with additional needs. We provide support for pupils across the four areas of need as laid out in the SEN Code of Practice 2014:

- Communication and interaction
- Cognition and learning
- Social, emotional and mental health difficulties
- Sensory and/or physical needs

2. How does the school know if children/ young people need extra help and what should I do if I think my child/young person may have special educational needs?

- At St Anthony's our staff have been trained in the early identification of pupils with Special Educational Needs and we have clear procedures in place to assist with this. A copy of the school SEND Policy can be found on the school website – this is updated annually.

Special Educational Needs may be identified through:

- Information passed from previous schools of EYFS settings
- Assessment data and pupil progress data
- Observations that class teachers record
- Concerns from parents
- All class teachers meet with the SENCO and Specialist Teacher each term for SEN consultations to raise concerns and discuss progress and provision
- In addition to these scheduled sessions school staff can raise SEN concerns at any time
- Any parent who suspects that their child has a Special Educational Need should discuss their concerns with their child's class teacher first

3. What is the school's approach to teaching pupils with SEN?

a. How does our school meet the needs of our SEN pupils?

Our school operates a graduated response to SEN which means that the following support is put in, in order:

- Quality first teaching strategies with appropriate differentiation in place
- Extra adult support in classrooms where appropriate
- Focused small group work
- Time limited interventions
- Individualised timetables and specialist support

b. How are adaptations made to the curriculum and the learning environment of pupils with SEN?

The curriculum/learning environment may be adapted by:

- Groupings that target specific levels of progress
- Differentiated resources and teaching styles
- Appropriate choices of texts and topics to suit the learner
- Access arrangements for tests and or examinations
- Additional adult support

c. What are the arrangements for assessing and reviewing pupil's progress towards outcomes, including opportunities available to work with parents and pupils as part of this assessment and review?

These arrangements include:

- School data tracking for pupil progress
- Support plan and EHCP reviews
- Observations and follow up
- Parents meetings
- Additional SEN parent consultations
- Additional tracking using specialist assistance by Specialist Teacher and SENCO

d. How do we evaluate the effectiveness of the provision made for pupils with SEN at St. Anthony's Catholic Primary School?

Progress on SEN interventions is monitored and evaluated through pre and post assessments and observations. Progress and evaluation is reported to the Governor with responsibility for SEN. Annual report and termly updates to the Governing Body and SEN Information Report posted on the Website.

e. What additional support learning is available for pupils with SEND?
