

St Anthony's Catholic Primary School SPORTS PREMIUM 2016-17

Amount of Grant: £10,580

Intended Outcome	Implementation	Cost	Impact	Next Steps
To encourage healthy physical lifestyles.	Shooting Stars Sports to facilitate fun sports activities during KS2 lunchtime.	Total cost £13,000 Contribution from sports grant £3,000	Children are engaged in a range of sporting activities and are developing understanding of tolerance, rules and fair play. Engagement in activities maintains a good level of behaviour and reduces conflict on the playground.	Pupil questionnaire to obtain pupil voice in order to improve the service to our pupils.
To ensure quality provision across the school.	Full time PE specialist employed. Full time sports coach employed.	Total cost £60,000 Contribution from sports grant £5,000	This enables children to obtain quality provision in PE. Provides in house training for staff and maintains staff skills. Facilitates extra curricular activities.	To maintain high quality specialist provision to ensure pupils have statutory provision and extra curricula provision. To achieve sports award.
To enable children to access outdoors whatever the weather.	Replacement of worn or damaged water proof jackets.	Total cost of Jackets £9,101 Annual budget to replace £2,000	Weather-proof coats has enabled outdoor PE to be accessed during light showers and has contributed to safeguarding of external visits to competitions.	Maintain the jackets by replacing a percentage each year to enable the provision to be sustained.
To ensure that staff maintain a high level of professional skill to deliver PE and sport.	Attendance at training.	£1,000	Selected training has enabled staff to disseminate information and training to the whole school.	To train staff in outdoor pursuits to enable them to lead outdoor expeditions.
