

St Anthony's Catholic Primary School SPORTS PREMIUM 2017-18

Amount of Grant: £18,000

Intended Outcome	Implementation	Cost	Impact	Next Steps
To ensure all pupils have access to extra-curricular sport.	Lunch-time Sports Coach to facilitate fun sports activities during lunchtime.	Total cost £14,200 Contribution from sports grant £3,000	Children are engaged in a range of sporting activities and are developing understanding of tolerance, rules and fair play. Engagement in activities maintains a good level of behaviour and reduces conflict on the playground.	Pupil questionnaire to obtain pupil voice in order to improve the service to our pupils.
To ensure quality provision across the school.	Three dedicated sports professionals to teach high quality P.E.	Total cost £67,000 Contribution from sports grant £15,000	This enables children to obtain quality provision in PE. Provides in house training for staff and maintains staff skills. Facilitates extra curricular activities.	To maintain high quality specialist provision to ensure pupils have statutory provision and extra curricula provision. To achieve sports awards.
Outdoor Learning / P.E. all year - to enable children to access outdoors whatever the weather.	Annual replacement of worn or damaged water proof jackets.	Annual cost for replacement. £2,000	Weather-proof coats has enabled outdoor PE to be accessed during light showers and has contributed to safeguarding of external visits to competitions.	Maintain the jackets by replacing a percentage each year to enable the provision to be sustained.
Increase competitive competition with other schools.	Travel costs / Entry Fees	£1,150	Increase the number of pupils participating in competitive sport and raise aspirations.	To achieve sports awards.
