Dear Parents and Carers

The Children's Shakespeare Festival

During the summer term, Year 4 will be taking part in a very exciting project for 'The Children's Shakespeare Festival'.

This term our topic will be 'They made a difference', so we will be looking at many different people throughout time who have made a difference to our world. One of the people we will be learning about is William Shakespeare and we are very excited to be taking part in a project with the North West Drama Services, to learn more about Shakespeare.

On Thursday 19th April, we will be launching The Children's Shakespeare Festival with a workshop run by North West Drama Services, which will take place during the school day. Throughout the term, we will be devising our own play script, ending this exciting project with a performance at The Lowry Theatre on 4th July 2018.

Further information about the performance will be provided closer to the date.

Yours faithfully

Year Four Teachers
