

## SPORTS PREMIUM 2014-15 – St Anthony's Catholic Primary School

**Amount of Grant Received – Year 2: £ 10,480**

Intended Outcome	Evidence	Implementation	Funding Breakdown	Impact	Next Steps
<i>To sustain improvements in lunchtime behaviour</i>	See case study on Year 4 pupil  See accident book	Employed the same sports coaches to deliver a variety of sports during KS2 lunchtime. Sports chosen based on games being taught in PE lessons in order to provide further opportunity to practice and develop skill	£3,000 contribution towards cost	Behaviour consistently good  Number of playground accidents significantly reduced term on term.	Link sports provided with upcoming competitions in competition calendar Create and monitor behaviour log for each playground
<i>To ensure breadth of activities underpinned by a high quality PE curriculum and extra-curricular provision</i>	Lesson Observations	Employed a specialist PE teacher: <ul style="list-style-type: none"> <li>• PE teacher worked alongside class teachers across a variety of PE areas including gymnastics, games and orienteering</li> <li>• Focussed on improving physical literacy skills at KS2 and fundamental movements skills at KS1 and Foundation Stage</li> <li>• Updating Schemes of Work and Assessment procedures</li> </ul>	£10,500 contribution towards salary	Teachers enthusiastic to learn different approaches.  Year 5 teachers impressed with numeracy and literacy reinforcement in Orienteering – cross-curricular PE.  Mrs Lindsey attended PE assessment training. Sharing with staff postponed due to implementation of assertive mentoring programme for literacy and numeracy.	Extend opportunities for cross curricular work and cross reference this with SoW. When Assertive Mentoring has been embedded, share updated SOW and new PE Assessments with staff.

Intended Outcome	Evidence	Implementation	Funding Breakdown	Impact	Next Steps
To increase opportunity for Physical Activity	See school policy for House System	Introduced whole school house system to promote positive behaviour. House captains leading warm-up's in PE. End of term house competitions in team sports		Pupils rewarded for a positive contribution in PE lessons. Leadership opportunities valued in PE.	Pupils working in house teams throughout PE lessons developing leadership and teamwork skills.
	See School Sports Premium cost centre transactions	Purchased waterproof and breathable sports jackets for all pupils in KS1 and KS2 to ensure continuity of access to high quality PE even in wet/cold conditions	£5,500	Jackets even used when Year 4 pupils attend swimming and when pupils represent the school at competitions/events. Pupils love them.	
	Certificates	Staff attended Professional Learning courses through the Manchester PE Association- 3 staff attended the FA football teachers' course.		Two of the staff now either assist or lead a football team	Staff to bring teams to competitions.
	See lunchtime case study  See School Sport premium cost centre transactions	Through Manchester Healthy Schools, lunchtime duty staff received training to encourage pupils to be more active in the playground. Playground leaders (Year 6) and PAL's (Physical Activity Leaders, Year 5) introduced to engage more pupils in physical activity.  Purchased games equipment to promote positive play-including outdoor twister, French skipping elastics, hopper	£350 – cost of staff cover  £1,500	Lunchtime Organisers feel more valued on playground. They feel they are having a positive impact on the lives of the pupils teaching the pupils games from their own childhood.  Playground leaders and PALs encourage pupils to be more active. They actively seek out pupils and give them equipment to use	To provide Lunchtime Organisers with more of the 'popular' equipment such as long skipping ropes to further improve opportunities for PA.

Intended Outcome	Evidence	Implementation	Funding Breakdown	Impact	Next Steps
To increase opportunity for Physical Activity (contd)	Pupil Test scores	SOKKA Physical Activity (PA) Pilot Programme. Pupils' fitness levels tested at three times across the year. Pupils participated in a Physical activity programme delivered at break-times and supported through PE lessons and also received classroom lessons in healthy living choices.	£3,900	<p>Pupils loved the bright, shiny, noisy equipment.</p> <p>100% participation in testing, even from the most reluctant of pupils.</p> <p>Pupils' limited IT skills meant food diaries etc were difficult to log online.</p> <p>Attitudes of pupils towards testing their own physical fitness improved.</p>	Continue with the excellent programme and teaching staff to have access to online resource to promote physical activity and improved awareness of healthy living choices.
	<p>School Club registers</p> <p>See school club data analysis</p>	Introduced a new school club policy to ensure allocation of places was seen to be 'more fair' by the pupils. Increased number of clubs on offer through the use of outside coaches. Provided a greater variety of clubs to include gymnastics, cricket and Irish dancing.		<p>Every pupil at KS2 offered a place in a school club (340 places)</p> <p>Only 50 places available for KS1</p> <p>% Participation in afterschool clubs</p> <p>Year 1= 27%</p> <p>Year 2= 9%</p> <p>Year 3= 51%</p> <p>Year 4= 74%</p> <p>Year 5= 50%</p> <p>Year 6= 64%</p>	Extend number of places available for KS1 pupils.

Intended Outcome	Evidence	Implementation	Funding Breakdown	Impact	Next Steps
Increased participation and success in competitive school sports	See school sports calendar	Provided transport free of charge to pupils for every competition entered.	£1,945	Our teams attended every competition we entered, except for the summer Gaelic football blitz competition, because this was cancelled twice due to poor weather.	Increase the number of events school competes in.
	See report to governors	Increased commitment from staff to attend competitions enabling greater participation. Increase number of teams entering and the number of events.		<p>24 teams entered across the year</p> <p>233 places on teams for pupils</p> <p>2 teams entered for most events</p> <p>4 teams entered for cross country Cricket, Parallel Challenge and Quad kids athletics - all new competitions for St Anthony's</p> <p>5 members of staff at the rounders competition</p> <p>Best result: Year 5/6 girls football finishing 4<sup>th</sup> in GM finals</p> <p>100% participation from Years 1-6 in Level 1 school sports competitions through whole school house system.</p>
